NEW PIPING PRESSURE TEST

Comments on Service/Repair/Alterations: _____

Disclaimer: This inspection covers gas distribution system equipment visible and readily accessible to the service technician and represents the conditions existing on the date of inspection. It does not cover latent or manufacturing defects, the internal workings of sealed equipment or structural components, and cannot be construed to cover future or unforeseen happenings existing on the date of inspection.

Customer Acknowledgement: I acknowledge, by checking each of the following items, that:

- I have informed the service technician of all gas-burning appliances, gas lines, and unused piping not connected to any gas appliance on my property.
- I have been informed of what deficiencies, repairs &/or alterations, if any, were made to my gas system or appliances.
- I have been told what to do if I smell a gas odor or otherwise suspect a gas leak and have been shown how to turn the gas supply off at the tank or cylinder.
- I have smelled propane gas and can detect its odor.
- I have been told to consider installing one or more gas detectors that are listed by Underwriters Laboratories.
- I have received safety information and told to read it and share it with all family members.
- I am satisfied with the service work performed.
