Claims Services

At Crum & Forster, our claims department has been recognized for superior service. Our responsiveness, collaborative approach, and cumulative expertise deliver results.

- Over 500 claim professionals and a nationwide panel of defense firms
- Return-to-work specialists that use local charities as a way to motivate and encourage employees to re-enter the work environment
- Emergency response teams available around the clock to respond to catastrophic/urgent claim events
- Dedicated subrogation team that relentlessly pursues negligent third parties to further mitigate losses
- In-house special investigation unit to ferret out fraud, thus reducing cost to the insured

Risk Engineering

Crum & Forster's risk engineers work in partnership with our customers to provide a full complement of services from education to comprehensive on-site inspections.

Practices include:

- Operational risk based assessments in comparison to industry benchmarks and best practices
- Assistance with automobile safety programs
- Material handling and fall prevention programs
- Ergonomics, Industrial Hygiene, and other training
