

Target Products and Markets

Product Recall Insurance for Component Parts is designed for component part manufacturers, such as components for general manufacturing, aviation or the automotive industry. We recommend coverage for any company that is involved in any part of the production or distribution of a component parts product, including, but not limited to:

- Component parts manufacturers
- Component parts suppliers
- Distributors
- Importers
- Exporters
- Wholesalers

Capacity/Limit

\$15,000,000

Coverage

Our Component Parts standard policy wording includes:

- Recall Costs, including third party recall costs
- Consultant Costs
- Defense Costs

Additional endorsements can be chosen to customize and tailor make coverage to meet our clients' needs.
