Our policyholders and producers are provided with access to our online risk management tool (**RMIS**) which provides quick and easy access to customized reports, executive summaries, and detailed claims information such as file notes, status reports, and loss runs.

We understand the health and social services business.

## Underwriting

Our team of regional underwriters has on average 30 years of property and casualty experience with an average of 15 years specializing in health and social service businesses.

- Willingness to underwrite hard to place risks
- Prompt new business quotes and early renewal indications
- Accurate and timely policy issuance

## Claims Services

At Crum & Forster, our claims department has been recognized for superior service. Our responsiveness, collaborative approach, and cumulative expertise delivers results.

- Over 500 claim professionals and a nationwide panel of defense firms
- Return-to-work specialists that use local charities as a way to motivate and encourage employees to re-enter the work environment
- Emergency response teams available around the clock to respond to catastrophic/urgent claim events

## Risk Engineering

Crum & Forster's risk engineers work in partnership with our customers to provide a full complement of services from education to comprehensive on-site inspections.

### Practices include:

- Assistance with reduction of inspection violations, emergency planning
- Safe patient handling, elder abuse prevention, and fall prevention
- Operational risk based assessments
- Ergonomics training, active shooter preparedness and much more
