## ABOUT CRUM & FORSTER

---

Crum & Forster (C&F) provides market-leading property & casualty, accident & health, life and specialty insurance solutions. A true underwriting company, we have been helping our customers manage risk with laser-focused expertise, integrity and discipline for more than 200 years.

C&F is fast-moving and responsive, fueled by teams of professionals who bring deep knowledge and talent to the broad array of markets we serve. Our people are empowered to problem-solve with you and make smart, swift, and bold decisions. We work efficiently so you can too, and continually invest in digital tools and technology to enhance service, convenience, and efficiency for all our stakeholders.

Our commitment to our customers and diverse distribution channels shows in our proactive engagement, meticulous attention to detail, and service, all designed to exceed expectations. You can count on C&F to be forthright and transparent as we precision-underwrite solutions that fit your needs and demonstrate that your partnership is our priority, year after year.

## SURPLUS & SPECIALTY LINES

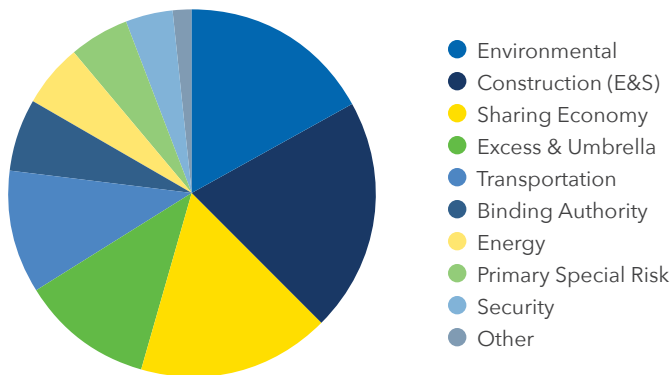

---

Our commitment to the Surplus & Specialty Lines community remains stronger today than ever before. Our goal is to be the preeminent Surplus & Specialty Lines carrier in the industry, providing innovative solutions and outstanding service to you, our valued partner. Through our customized product offerings, unmatched service standards, and deep underwriting expertise, we aim to be your market of choice.

The following pages provide an overview of our Surplus & Specialty Lines capabilities. Each segment has an appetite description and key contact information. Please contact us to learn more about how we can serve you and your clients.

We appreciate your ongoing support.

# EXCESS & UMBRELLA

Crum & Forster has been a recognized leader in the Commercial Excess & Umbrella marketplace for over 50 years. We offer you solid technical knowledge, innovative solutions, and quality service backed by years of experience. We don't have to write the underlying to quote your excess. Our broad underwriting appetite is backed up by disciplined yet competitive pricing allowing us to respond intelligently to changing market conditions. We have two solutions to best handle your insurance needs - Admitted and Non-admitted. Our combined appetite allows us to accommodate a wide spectrum of risks from larger, more complex deals to smaller insureds with challenging exposures.

## TARGET CLASSES/COVERAGES
